

LA VISUAL PHONICS "SEE THE SOUND"

VIRTUAL Visual Phonics Strategy

Tues., June 27th AND Thurs., June 29th, 2023

50 spots available! Register Soon!

"See the Sound with Visual Phonics" is a system of hand shapes that look and feel like the sounds they represent. This strategy also utilizes written symbols that are a visual representation of the hand shape. Also, Visual Phonics cues are suggestive of the manner of speech production. This heavily research & evidence based strategy compliments ANY curriculum, good teaching.
